Jungle Book: The Jungle Book: The Definitive Edition Blu-ray, DVD & Digital HD Combo Pack JUNGLE BOOK.. The Jungle Book (2015) is still just days away from being released but I've read that Amazon UK and DVD sales are almost done. We are trying to get as many early adopters the day before the release date but it's not as easy as we had hoped.. Here is what we've found out about the new "The Jungle Book" movie: The Jungle Book is based on the original 1998 book series by W.H. Auden and features a very new cast, a newly written screenplay, a completely different director, and new characters that make the story even better. This is a new era of Hollywood and the Jungle Book film will bring more than just the good stories from Auden but also the bad ones. Will you accept her offer to travel the land in search of her lost love, Prince Kowalski, and help her find out the truth about her life before him?.
